Dear Mr. Jeff Komin and Ms. Angie, Purpora, Superior Tours:

We cannot thank you both enough for making our trip to Sight & Sound such a success. You made our job so much easier. Your selection of seats at the theater were excellent. We were very, very satisfied with the hospitality and services at Hershey Farm Restaurant. The conditions and amenities of the bus were superb. Our Bus Driver was extremely helpful, courteous, and a great driver. We are already to begin our planning next year with Superior Tours to return to Sight and Sound to see "Joshua". When I came to your office a few times, what a pleasant, joyous, and professional experience. Believe me, when someone asks about a good bus company, I quickly recommend **Superior Tours!**

Thanking you again, Sincerely,

Maurice Blackwell
